SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (Cont'd.)**3.7 Optional Business Services, (cont'd.)****3.7.2 FirmRate Advantage Plan, (cont'd.)****C. Termination Liability**

When the Customer terminates service under this plan prior to the expiration of the Customer's selected term commitment, a termination charge will be assessed. The termination charge is calculated by multiplying 35 percent (35%) of the Customer's Minimum Spend Level times the number of months remaining in the term.

The early termination charge will apply under the following circumstances:

1. When the Customer disconnects its entire account; or
2. When the Customer selects a shorter term.

The early termination charge will not apply under the following circumstances:

1. When the Customer's physical location changes, but the term plan is continued at the new location;
2. When the Customer negotiates the term plan for a longer term;
3. When the Customer moves to a jurisdiction where the Company is prohibited from offering service;
4. When the Customer changes plan prior to 60 days of service;
5. When the Customer returns to the Company and the same term length agreement as a result of a Winback program; or
6. When the Customer moves from a one or three year term on FirmRate Advantage Plan to either a one or three year term on FirmRate Plus Plan or FlexDistance Plan.

(T)
(T)

At the expiration of the term commitment, the Customer will continue at the same commitment and usage rate unless they choose to make a change, either to a different term commitment/minimum usage guarantee or to a different plan. If the Customer continues without changing, they will still be liable for the minimum usage guarantee to which they were originally subscribed.

6.24.1 General Description

Effective 11/8/09, SimpleOptions calling plan is grandfathered and no longer available to new Customers. No moves, changes or additions will be allowed for existing Customers.

(N)

(N)

SimpleOptions is an optional calling plan offered to Business Customers for outbound direct dialed calling from presubscribed switched access lines at rates which are dependent on the Customer's monthly usage guarantee (MUG) level. Inbound (toll free) calling is also available for termination on switched Access Lines. Travel Card* and operator assisted calling are also available under this plan. Customers may select a one or three year term commitment in order to obtain lower rates.

(T)

This plan is an add-on service to the interstate SimpleOptions Plan. See www.verizonldregulatory.com.

6.24.2 Billing Increments

The billing increment and minimum call duration of each call is determined by the access method selected by the Customer and the call type. Partial increments are rounded to the next increment.

Access Type/Call Type	Initial Increment	Additional Increment
Switched Access	18 seconds	6 seconds
Travel Card	18 seconds	6 seconds
Operator Assisted	60 seconds	60 seconds

(M)

6.24.3. Monthly Usage Guarantee

All intrastate, interstate and international usage charges and applicable surcharges billed to the Customer under this plan contribute towards meeting the monthly usage guarantee. In addition, Conference Connections audioconferencing, Private Line and Data Services usage, feature charges, directory assistance charges, operator usage and surcharges, and monthly recurring charges are contributory to the monthly usage guarantee. Taxes, presubscribed line charges, carrier universal service charges, pay telephone use charges and other similar fees are not contributory. Customers whose total monthly long distance usage charges do not meet their subscribed Monthly Usage Guarantee level will be assessed the difference between their total long distance usage charges and their subscribed Monthly Usage Guarantee level.

6.24.4 Termination Liability

When the Customer terminates service under this plan prior to the expiration of the Customer's selected term commitment, a termination charge will be assessed. The termination charge is calculated by multiplying 35 percent (35%) of the Customer's Monthly Usage Guarantee multiplied times the number of months remaining in the term.

The early termination charge will apply under the following circumstances:

- A. When the Customer disconnects its entire account;
- B. When the Customer selects a shorter term; or
- C. When the Customer negotiates a reduction in their monthly spending commitment more than one level during a billing cycle.

The early termination charge will not apply under the following circumstances:

- A. When the Customer's physical location changes, but the term plan is continued at the new location;
- B. When the Customer negotiates the term plan for a longer term;
- C. When the Customer moves to a jurisdiction where the Company is prohibited from offering service;
- D. When the Customer changes plan prior to 60 days of service;
- E. When the Customer returns to the Company and the same term length agreement as a result of a Winback program; or
- F. When the Customer reduces their term monthly spend level one level during a billing cycle; or
- G. When the Customer replaces a one or three year term on SimpleOptions to the FlexDistance Plan Service.

At the expiration of the term commitment, the Customer will continue at the same commitment and usage rate unless they choose a different plan. If the Customer continues without changing, they will still be liable for the minimum usage guarantee to which they were originally subscribed.
